

## Key of C

# GREAT PHYSICIAN

Craig and Tess Aven / © 2015 CMA Publishing

(to the melody of *God Bless America*)

Intro: C / G / F2/D - F/A-G/B / C - Gm7-C7 /  
F - Dm7 / C/G - Am7 / D7 - G7sus-G7 / Csus - C /

F C/E G/B Am7  
Just as God told Abraham of Sodom and Gomorrah

F C Gsus - G  
His plan to bring destruction to the land

F C/E G/B Am7  
He's speaking even now about these days we're in

F C Gsus - G  
He's drawing near to share His heart again

F G/F F  
He's telling us that it won't be too long

F G/F F - C/E - Dm7 - G/B  
He's calling us to pray until he comes

F/C-C F/A-Am7  
**Great physician, You're our healer**  
Gsus - G F - C/E - Dm7 - G/B

**Bring revival to our land**  
F/C-C F/A-Am7

**Mighty Savior, our Redeemer**  
Gsus - G F

**You're the only hope we have**

F C/E G/B Am7  
We used to say "In God we trust", we used to seek your face

F C Gsus - G  
But now our kids can't even pray in school

F C/E G/B Am7  
In your name we became great, your presence made us strong

F Am7 Gsus - G  
But now we've walked away and played the fool

F G/F F  
But there is still a remnant who will stand

F G/F F - C/E - Dm7 - G/B  
Believing for your mercy once again

F/C-C                      F/A-Am7  
Great physician, You're our healer  
Gsus - G              F - C/E - Dm7 - G/B  
Bring revival to our land  
F/C-C                      F/A-Am7  
Mighty Savior, our Redeemer  
Gsus - G              F              - F/G  
You're the only hope we have

F/C-C      F/A-Am7  
*Revive us, inspire*  
Gsus      G              F - C/E - Dm7 - G/B  
*Come and heal our land, like only You can*  
F/C-C      F/A-Am7  
*Revive us, inspire*  
Gsus      G              F - C/E - Dm7 - G/B  
*Come and heal our land, like only You can*

F/C-C                      F/A-Am7  
Great physician, You're our healer  
Gsus - G              F - C/E - Dm7 - G/B  
Bring revival to our land  
F/C-C                      F/A-Am7  
Mighty Savior, our Redeemer  
Gsus - G              F              - F/G  
You're the only hope we have

*(Ad lib ending. End in a way that works best for you.)*
